Class Discussion –

**Louise** – Learning to use the power of faith to burn out the dross. She imagined the hands of the Savior placed upon her head which caused the feeling of light and energy to enter descending slowly down through her body. Later Louise sent pictures to be discussed at our next meeting. See below.

**Ruth** – Working on inviting the Holy Spirit to dwell within her. She is search for higher light to drive out doubt and negativity. She is asking for angels to attend her giving guidance and strength. Ruth is seeking to be in a state of higher consciousness at all times.

**Bill** – Shares the story of the squirrel who turned back when the goal was within sight. He shared his experiences with the feeling of heavenly messenger sent to bless his life with knowledge, understanding, strength and wisdom.

David – Recited three times out loud the fasting prayer with good results:

*"And thou shalt pray in secret three times daily, saying: **Blessed art thou YHVH, O Lord, our Elohim, who opens the gates of the firmament, and givest light to the whole world and its inhabitants, with the multitude of Thy mercies, Who teachest Thy people, Israel, Thy Torah, and revealeth unto Israel the chereb; grant me thy Torah that I, Thy servant, will be given authority over this chereb, that I shall be thy servant; that Thy will be done on earth and as it is in heaven; So mote it be, Amen.***

David shared some of his experiences with the visitation of angels hoping this could return to him as it was when he was a child. David read from the Book of Zenoch:

*"And behold, YHVH Elohim, in Wisdom and Glory, hath warned the earth of these plagues from before the beginning; yet from the beginning have these tried and tested mankind, and for this reason was this creation made, even to place mankind into the fire of temptation; to burn out the wickedness even as one would burn out the dross from the silver, that ye might find comfort and be made clean by that fire of the refiner, that having been made pure and righteous, thou should stand and be ready before YHVH at that last day. For in this world, the light hath been mixed with the darkness, and so it was that in the beginning, the light was separated from that darkness.*

*"And so it is that when a man or a woman doth take upon themselves the name of YHVH, that light is separated from the darkness, and they are made clean; therefore, I do say unto all mankind: **Ye must take upon you the name of YHVH Tzidqenu Ha'Mashiach, for it is by this name that ye shall be called at that last day. But know that YHVH Tzidqenu Ha'Mashiach is eternal, being from everlasting to everlasting; therefore, YHVH is beyond the understanding of mankind. Wherefore, YHVH doth hide His face from they that would not see Him, and doth only reveal His face unto they that do seek Him, showing unto them only that which they might see; for if YHVH Tzidqenu Ha'Mashiach were to show himself fully unto mankind, and not of the temporal, but of the spiritual, not of the carnal mind, but of the Glory of Elohim, if they were to see Him as He is, they would see the form of a man beyond all description, and beyond all comprehension.***

***"And so it is that should any that come before YHVH Elohim to stand in the Presence or to see His face, they should see with their spiritual eyes, even as thou didst; therefore, thou should teach all mankind to seek the Presence and to harken unto the Voice, even***

***as thou hast done, and the things of the spirit shall be made manifest and known unto them." -Zenock 3:22-34***

Closing comments: Seek to serve the poor and needed.

***11 ¶ Hear now what wisdom is: Wisdom is (1) to know the Creator, to (2) feel of His love, and to (3) love even as He loves; (Neum Chapter 4)***
